Overview

Jan 01, 2025 - Sep 11, 2026

431,937

Social Views & Impressions

Organic and boosted delivery on social platforms. Reels, TikTok and YouTube report views, not impressions.

2,014

Total Clicks

Total number of clicks across platforms.

154,596

Reach

Total number of people that have seen a post

7,221

Interactions

Total likes, comments, saves and shares on a post (organic + promoted).

1,023

Total Saves

Total number of saves across all social platforms.

7,584

Total Engagements

Total number of engagements across all social platforms, including likes, comments, shares, and saves.

Powered by
Momently

Native Content

Jan 01, 2025 - Sep 11, 2026

3,052

GA4 Users

The number of distinct users who have logged at least one event, regardless of whether the site or app was in use when that event was logged.

6,380

GA4 Pageviews

The total number of pageviews for the page.

3,850

GA4 Engaged Sessions

The number of sessions that lasted longer than 10 seconds, or had a conversion event, or had 2 or more screen views.

44s

GA4 Avg Engagement Time

Average engagement time per active user for the time period selected.

74.9%

GA4 Engagement Rate

The percentage of engaged sessions.

4.38%

GA4 Outbound CTR

The percentage of total active users who clicked on outbound links

130

Outbound Link Clicks

The total number of outbound link clicks.

1m 54s

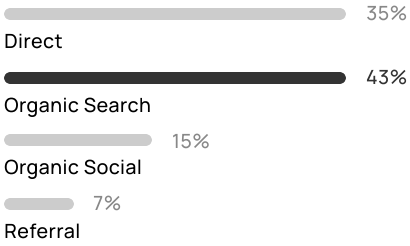

GA4 Avg Session Duration

The average duration (in seconds) of users' sessions.
